

Ohio Revised Code

Section 4561.53 Office of Aviation UAV resources.

Effective: April 9, 2025

Legislation: House Bill 77 - 135th General Assembly

(A) The department of transportation's office of aviation shall provide information and resources on the office's web site regarding the laws, regulations, and proper use of an unmanned aerial vehicle and unmanned aerial vehicle system. The information shall pertain to public, commercial, and recreational use of an unmanned aerial vehicle.

(B) The office shall provide picture examples of a critical facility on the office's web site. The pictures and any related information provided are designed to provide unmanned aerial vehicle operators guidelines on what is considered a critical facility. Any picture or written description shall not identify the owner, operator, or location of the critical facility.
