(b) If any restoration or duplication made under this section involves a relocation of the property or facilities, the port authority shall acquire no interest or right in or to the appropriated property or facilities, except as provided in division (A)(15) of this section, until the relocated property or facilities are available for use and until marketable title thereto has been transferred to the public utility, cable operator, or common carrier.

Revised Code. Each such contract shall be let to the lowest responsive and responsible bidder in accordance with section 9.312 of the Revised Code. Every contract shall be accompanied by or shall refer to plans and specifications for the work to be done, prepared for and approved by the port authority, and signed by an authorized officer of the port authority and by the contractor.

Each bid shall be awarded in accordance with sections 153.54, 153.57, and 153.571 of the Revised Code. The port authority may reject any and all bids.

(c) The board of directors by rule may provide criteria for the negotiation and award without competitive bidding of any contract as to which the port authority is the contracting entity for the construction of any building or structure or other improvement under any of the following circumstances:

(i) There exists a real and present emergency that threatens damage or injury to persons or property of the port authority or other persons, provided that a statement specifying the nature of the emergency that is the basis for the negotiation and award of a contract without competitive bidding shall be signed by the officer of the port authority that executes that contract at the time of the contract's execution and shall be attached to the contract.

(ii) A commonly recognized industry or other standard or specification does not exist and cannot objectively be articulated for the improvement.

(iii) The contract is for any energy conservation measure as defined in section 307.041 of the Revised Code.

(iv) With respect to material to be incorporated into the improvement, only a single source or supplier exists for the material.

(v) A single bid is received by the port authority after complying with the provisions of division (A)(18)(b) of this section.

(d)(i) If a contract is to be negotiated and awarded without competitive bidding for the reason set forth in division (A)(18)(c)(ii) of this section, the port authority shall publish a notice calling for

technical proposals twice, with at least seven days between publications, in a newspaper of general circulation in the area of the port authority or as provided in section 7.16 of the Revised Code. After receipt of the technical proposals, the port authority may negotiate with and award a contract for the improvement to the proposer making the proposal considered to be the most advantageous to the port authority.

(ii) If a contract is to be negotiated and awarded without competitive bidding for the reason set forth in division (A)(18)(c)(iv) of this section, any construction activities related to the incorporation of the material into the improvement also may be provided without competitive bidding by the source or supplier of that material.

(e)(i) Any purchase, exchange, sale, lease, lease with an option to purchase, conveyance of other interests in, or other contract with a person or governmental entity that pertains to the acquisition, construction, maintenance, repair, furnishing, equipping, or operation of any real or personal property, or any combination thereof, related to, useful for, or in furtherance of an activity contemplated by Section 13 or 16 of Article VIII, Ohio Constitution, shall be made in such manner and subject to such terms and conditions as may be determined by the board of directors in its discretion.

(ii) Division (A)(18)(e)(i) of this section applies to all contracts that are subject to the division, notwithstanding any other provision of law that might otherwise apply, including, without limitation, any requirement of notice, any requirement of competitive bidding or selection, or any requirement for the provision of security.

(iii) Divisions (A)(18)(e)(i) and (ii) of this section do not apply to either of the following: any contract secured by or to be paid from moneys raised by taxation or the proceeds of obligations secured by a pledge of moneys raised by taxation; or any contract secured exclusively by or to be paid exclusively from the general revenues of the port authority. For the purposes of this section, any revenues derived by the port authority under a lease or other agreement that, by its terms, contemplates the use of amounts payable under the agreement either to pay the costs of the improvement that is the subject of the contract or to secure obligations of the port authority issued to finance costs of such improvement, are excluded from general revenues.

(19) Employ managers, superintendents, and other employees and retain or contract with consulting engineers, financial consultants, accounting experts, architects, attorneys, and any other consultants and independent contractors as are necessary in its judgment to carry out this chapter, and fix the compensation thereof. All expenses thereof shall be payable from any available funds of the port authority or from funds appropriated for that purpose by a political subdivision creating or participating in the creation of the port authority.

(20) Receive and accept from any state or federal agency grants and loans for or in aid of the construction of any port authority facility or for research and development with respect to port authority facilities, and receive and accept aid or contributions from any source of money, property, labor, or other things of value, to be held, used, and applied only for the purposes for which the grants and contributions are made;

(21) Engage in research and development with respect to port authority facilities;

(22) Purchase fire and extended coverage and liability insurance for any port authority facility and for the principal office and branch offices of the port authority, insurance protecting the port authority and its officers and employees against liability for damage to property or injury to or death of persons arising from its operations, and any other insurance the port authority may agree to provide under any resolution authorizing its port authority revenue bonds or in any trust agreement securing the same;

(23) Charge, alter, and collect rentals and other charges for the use or services of any port authority facility as provided in section 4582.43 of the Revised Code;

(24) Provide coverage for its employees under Chapters 145., 4123., and 4141. of the Revised Code;

(25) Establish and administer one or more payment card programs for purposes of paying expenses related to port authority business. Any obligation incurred as a result of the use of such a payment card shall be paid from port authority funds.

(26) Do all acts necessary or proper to carry out the powers expressly granted in sections 4582.21 to 4582.59 of the Revised Code.

(B) Any instrument by which real property is acquired pursuant to this section shall identify the agency of the state that has the use and benefit of the real property as specified in section 5301.012 of the Revised Code.

(C) Whoever violates division (A)(14) of this section is guilty of a minor misdemeanor.
