

Ohio Revised Code

Section 4585.09 Return of warrant - execution of judgment.

Effective: May 2, 1986

Legislation: House Bill 440 - 116th General Assembly

The return of the warrant provided for in section 4585.04 of the Revised Code, showing a seizure of property is equivalent to service upon the watercraft. If the judgment is for the plaintiff, the property held may be sold on the order of the court. The proceeds of a sale under sections 4585.01 to 4585.14 of the Revised Code shall be applied initially to security interests on the watercraft that are superior under division (B) of section 4585.01 of the Revised Code to the lien provided by division (A) of that section, in the order of their priority. Any surplus money shall be returned to the owner, master, or agent on demand. If the judgment is against the plaintiff, the property seized shall be restored and judgment for costs entered against him, upon which execution may issue as in other cases.
