The governor shall appoint an architects board, which shall be composed of five individuals, four of whom shall be architects who have been in active practice in the state for not less than five years previous to their appointment, and one of whom shall be a member of the general public and who is not an architect.

At the expiration of the term of office of each of the members the governor shall, with the advice and consent of the senate appoint a successor. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. Any member shall continue in office subsequent to the expiration date of the member's term until the member's successor takes office, or until a period of sixty days has elapsed, whichever occurs first.

The members of said board shall, before entering upon the discharge of their duties, subscribe to and file with the secretary of state the constitutional oath of office.
