

Ohio Revised Code Section 4703.08 Reciprocity.

Effective: June 20, 2008

Legislation: Senate Bill 225 - 127th General Assembly

The architects board shall adopt rules to certify and register an applicant for a certificate of qualification to practice architecture who is licensed or registered as an architect in another state or jurisdiction, holds a current certificate in good standing issued by the national council of architectural registration boards, and wishes to be registered in this state.
