### Section 4715.16 Application for limited license.

Effective: December 29, 2023

Legislation: Senate Bill 131

---

(A) Upon payment of a fee of thirteen dollars, the state dental board may without examination issue a limited resident's license to any person who is a graduate of a dental college, is authorized to practice in another country or qualified to take the regular licensing examination in this state, and furnishes the board satisfactory proof of having been appointed a dental resident at an accredited dental college in this state or at an accredited program of a hospital in this state, but has not yet been licensed as a dentist by the board. Any person receiving a limited resident's license may practice dentistry only in connection with programs operated by the dental college or hospital at which the person is appointed as a resident as designated on the person's limited resident's license, and only under the direction of a licensed dentist who is a member of the dental staff of the college or hospital or a dentist holding a current limited teaching license issued under division (B) of this section, and only on bona fide patients of such programs. The holder of a limited resident's license may be disciplined by the board pursuant to section 4715.30 of the Revised Code. The board shall issue a limited resident's license in accordance with Chapter 4796. of the Revised Code to an applicant if either of the following applies:

(1) The applicant holds a license to practice dentistry in another state.

(2) The applicant has satisfactory work experience, a government certification, or a private certification as described in that chapter in the practice of dentistry in a state that does not issue that license.

(B) Upon payment of one hundred twenty-seven dollars and upon application endorsed by an accredited dental college in this state, the board may without examination issue a limited teaching license to a dentist who is a resident of a state other than Ohio and who is a graduate of a dental college, is authorized to practice dentistry in another state or country, and has full-time appointment to the faculty of the endorsing dental college. A limited teaching license is subject to annual renewal in accordance with the standard renewal procedure of Chapter 4745. of the Revised Code, and automatically expires upon termination of the full-time faculty appointment. A person holding a

limited teaching license may practice dentistry only in connection with programs operated by the endorsing dental college. The board may discipline the holder of a limited teaching license pursuant to section 4715.30 of the Revised Code.

Chapter 4796. of the Revised Code does not apply to a limited teaching license issued under this division.

(C)(1) As used in this division:

(a) "Continuing dental education practicum" or "practicum" means a course of instruction, approved by the American dental association, Ohio dental association, or academy of general dentistry, that is designed to improve the clinical skills of a dentist by requiring the dentist to participate in clinical exercises on patients.

(b) "Director" means the person responsible for the operation of a practicum.

(2) Upon payment of one hundred twenty-seven dollars and application endorsed by the director of a continuing dental education practicum, the board shall, without examination, issue a temporary limited continuing education license to a resident of a state other than Ohio who is licensed to practice dentistry in such state and is in good standing, is a graduate of an accredited dental college, and is registered to participate in the endorsing practicum. The determination of whether a dentist is in good standing shall be made by the board.

A dentist holding a temporary limited continuing education license may practice dentistry only on residents of the state in which the dentist is permanently licensed or on patients referred by a dentist licensed pursuant to section 4715.12 of the Revised Code to an instructing dentist licensed pursuant to that section, and only while participating in a required clinical exercise of the endorsing practicum on the premises of the facility where the practicum is being conducted.

Practice under a temporary limited continuing education license shall be under the direct supervision and full professional responsibility of an instructing dentist licensed pursuant to section 4715.12 of the Revised Code, shall be limited to the performance of those procedures necessary to complete the endorsing practicum, and shall not exceed thirty days of actual patient treatment in any year.

(3) A director of a continuing dental education practicum who endorses an application for a temporary limited continuing education license shall, prior to making the endorsement, notify the state dental board in writing of the identity of the sponsors and the faculty of the practicum and the dates and locations at which it will be offered. The notice shall also include a brief description of the course of instruction. The board may prohibit a continuing dental education practicum from endorsing applications for temporary limited continuing education licenses if the board determines that the practicum is engaged in activities that constitute a threat to public health and safety or do not constitute bona fide continuing dental education, or that the practicum permits activities which otherwise violate this chapter. Any continuing dental education practicum prohibited from endorsing applications may request an adjudication pursuant to Chapter 119. of the Revised Code.

A temporary limited continuing education license shall be valid only when the dentist is participating in the endorsing continuing dental education practicum and shall expire at the end of one year. If the dentist fails to complete the endorsing practicum in one year, the board may, upon the dentist's application and payment of a fee of ninety-four dollars, renew the temporary limited continuing education license for a consecutive one-year period. Only two renewals may be granted. The holder of a temporary limited continuing education license may be disciplined by the board pursuant to section 4715.30 of the Revised Code.

Chapter 4796. of the Revised Code does not apply to a temporary limited continuing education license issued under this division.

(D) The board shall act either to approve or to deny any application for a limited license pursuant to division (A), (B), or (C) of this section not later than sixty days of the date the board receives the application.
