

## Ohio Revised Code

### Section 4715.302 Dentist's review of patient information available through drug database.

Effective: April 1, 2015

Legislation: Senate Bill 276 - 130th General Assembly

---

(A) As used in this section:

(1) "Drug database" means the database established and maintained by the state board of pharmacy pursuant to section 4729.75 of the Revised Code.

(2) "Opioid analgesic" and "benzodiazepine" have the same meanings as in section 3719.01 of the Revised Code.

(B) Except as provided in divisions (C) and (E) of this section, a dentist shall comply with all of the following as conditions of prescribing a drug that is either an opioid analgesic or a benzodiazepine, or personally furnishing a complete or partial supply of such a drug, as part of a patient's course of treatment for a particular condition:

(1) Before initially prescribing or furnishing the drug, the dentist or the dentist's delegate shall request from the drug database a report of information related to the patient that covers at least the twelve months immediately preceding the date of the request. If the dentist practices primarily in a county of this state that adjoins another state, the dentist or delegate also shall request a report of any information available in the drug database that pertains to prescriptions issued or drugs furnished to the patient in the state adjoining that county.

(2) If the patient's course of treatment for the condition continues for more than ninety days after the initial report is requested, the dentist or delegate shall make periodic requests for reports of information from the drug database until the course of treatment has ended. The requests shall be made at intervals not exceeding ninety days, determined according to the date the initial request was made. The request shall be made in the same manner provided in division (B)(1) of this section for requesting the initial report of information from the drug database.

(3) On receipt of a report under division (B)(1) or (2) of this section, the dentist shall assess the information in the report. The dentist shall document in the patient's record that the report was received and the information was assessed.

(C)(1) Division (B) of this section does not apply if a drug database report regarding the patient is not available. In this event, the dentist shall document in the patient's record the reason that the report is not available.

(2) Division (B) of this section does not apply if the drug is prescribed or personally furnished in an amount indicated for a period not to exceed seven days.

(D) The state dental board may adopt rules that establish standards and procedures to be followed by a dentist regarding the review of patient information available through the drug database under division (A)(5) of section 4729.80 of the Revised Code. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

(E) This section and any rules adopted under it do not apply if the state board of pharmacy no longer maintains the drug database.
