(17) Deny conditional approval to a new prelicensure nursing education program or a program that is being reestablished after having ceased to operate if the program or a person acting on behalf of the program submits or causes to be submitted to the board false, misleading, or deceptive statements, information, or documentation in the process of applying for approval of the program. If the board proposes to deny approval of the program, it shall do so pursuant to an adjudication conducted under Chapter 119. of the Revised Code.

(B) The board may fulfill the requirement of division (A)(8) of this section by authorizing persons who meet the standards established in rules adopted under section 4723.07 of the Revised Code to approve continuing education programs and courses. Persons so authorized shall approve continuing education programs and courses in accordance with standards established in rules adopted under section 4723.07 of the Revised Code.

Persons seeking authorization to approve continuing education programs and courses shall apply to the board and pay the appropriate fee established under section 4723.08 of the Revised Code.

Authorizations to approve continuing education programs and courses shall expire and may be renewed according to the schedule established in rules adopted under section 4723.07 of the Revised Code.

In addition to approving continuing education programs under division (A)(8) of this section, the board may sponsor continuing education activities that are directly related to the statutes and rules the board enforces.

(C)(1) The board may deny conditional approval to a new prelicensure nursing education program or program that is being reestablished after having ceased to operate if the program is controlled by a person who controls or has controlled a program that had its approval withdrawn, revoked, suspended, or restricted by the board or a board of another jurisdiction that is a member of the national council of state boards of nursing. If the board proposes to deny approval, it shall do so pursuant to an adjudication conducted under Chapter 119. of the Revised Code.

(D)(1) When an action taken by the board under division (A)(6), (7), or (17) or (C)(1) of this section is required to be taken pursuant to an adjudication conducted under Chapter 119. of the Revised Code, the board may, in lieu of an adjudication hearing, enter into a consent agreement to resolve the matter. A consent agreement, when ratified by a vote of a quorum of the board, constitutes the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement are of no effect.

(2) In any instance in which the board is required under Chapter 119. of the Revised Code to give notice to a person seeking approval of a prelicensure nursing education program of an opportunity for a hearing and the person does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings.

(3) When the board denies or withdraws approval of a prelicensure nursing education program, the board may specify that its action is permanent. A program subject to a permanent action taken by the board is forever ineligible for approval and the board shall not accept an application for the program's reinstatement or approval.
