

Ohio Revised Code

Section 4723.43 Scope of specialized nursing services.

Effective: April 6, 2017

Legislation: House Bill 216 - 131st General Assembly

A certified registered nurse anesthetist, clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner may provide to individuals and groups nursing care that requires knowledge and skill obtained from advanced formal education and clinical experience. In this capacity as an advanced practice registered nurse, a certified nurse-midwife is subject to division (A) of this section, a certified registered nurse anesthetist is subject to division (B) of this section, a certified nurse practitioner is subject to division (C) of this section, and a clinical nurse specialist is subject to division (D) of this section.

(A) A nurse authorized to practice as a certified nurse-midwife, in collaboration with one or more physicians, may provide the management of preventive services and those primary care services necessary to provide health care to women antepartally, intrapartally, postpartally, and gynecologically, consistent with the nurse's education and certification, and in accordance with rules adopted by the board of nursing.

No certified nurse-midwife may perform version, deliver breech or face presentation, use forceps, do any obstetric operation, or treat any other abnormal condition, except in emergencies. Division (A) of this section does not prohibit a certified nurse-midwife from performing episiotomies or normal vaginal deliveries, or repairing vaginal tears. A certified nurse-midwife may, in collaboration with one or more physicians, prescribe drugs and therapeutic devices in accordance with section 4723.481 of the Revised Code.

(B) A nurse authorized to practice as a certified registered nurse anesthetist, with the supervision and in the immediate presence of a physician, podiatrist, or dentist, may administer anesthesia and perform anesthesia induction, maintenance, and emergence, and may perform with supervision preanesthetic preparation and evaluation, postanesthesia care, and clinical support functions, consistent with the nurse's education and certification, and in accordance with rules adopted by the board.

The physician, podiatrist, or dentist supervising a certified registered nurse anesthetist must be actively engaged in practice in this state. When a certified registered nurse anesthetist is supervised by a podiatrist, the nurse's scope of practice is limited to the anesthesia procedures that the podiatrist has the authority under section 4731.51 of the Revised Code to perform. A certified registered nurse anesthetist may not administer general anesthesia under the supervision of a podiatrist in a podiatrist's office. When a certified registered nurse anesthetist is supervised by a dentist, the nurse's scope of practice is limited to the anesthesia procedures that the dentist has the authority under Chapter 4715. of the Revised Code to perform.

(C) A nurse authorized to practice as a certified nurse practitioner, in collaboration with one or more physicians or podiatrists, may provide preventive and primary care services, provide services for acute illnesses, and evaluate and promote patient wellness within the nurse's nursing specialty, consistent with the nurse's education and certification, and in accordance with rules adopted by the board. A certified nurse practitioner may, in collaboration with one or more physicians or podiatrists, prescribe drugs and therapeutic devices in accordance with section 4723.481 of the Revised Code.

When a certified nurse practitioner is collaborating with a podiatrist, the nurse's scope of practice is limited to the procedures that the podiatrist has the authority under section 4731.51 of the Revised Code to perform.

(D) A nurse authorized to practice as a clinical nurse specialist, in collaboration with one or more physicians or podiatrists, may provide and manage the care of individuals and groups with complex health problems and provide health care services that promote, improve, and manage health care within the nurse's nursing specialty, consistent with the nurse's education and in accordance with rules adopted by the board. A clinical nurse specialist may, in collaboration with one or more physicians or podiatrists, prescribe drugs and therapeutic devices in accordance with section 4723.481 of the Revised Code.

When a clinical nurse specialist is collaborating with a podiatrist, the nurse's scope of practice is limited to the procedures that the podiatrist has the authority under section 4731.51 of the Revised Code to perform.
