

Ohio Revised Code

Section 4729.27 Pharmacist must be in full and actual charge of pharmacy.

Effective: July 22, 1998

Legislation: Senate Bill 66 - 122nd General Assembly

A person not a pharmacist, who owns, manages, or conducts a pharmacy, shall employ a pharmacist to be in full and actual charge of such pharmacy. Any pharmacist who owns, manages, or conducts a pharmacy shall be personally in full and actual charge of the pharmacy, or shall employ another pharmacist to be in full and actual charge of the pharmacy.
