

Ohio Revised Code

Section 4729.49 Terminal distributor contracts with 340B program participants.

Effective: April 12, 2021

Legislation: Senate Bill 263 - 133rd General Assembly

(A) As used in this section, "340B covered entity," "medicaid managed care organization," and "third-party administrator" have the same meanings as in section 5167.01 of the Revised Code.

(B) A contract between a terminal distributor of dangerous drugs and a 340B covered entity shall require the terminal distributor to comply with division (C) of this section.

(C) When paying a 340B covered entity for a dangerous drug dispensed to a patient, a terminal distributor shall pay to the 340B covered entity the full reimbursement amount the terminal distributor receives from the patient and the patient's health insurer, including a third-party administrator or medicaid managed care organization, except that the terminal distributor may deduct from the full reimbursement amount a fee agreed on in writing by the terminal distributor and the 340B covered entity.
