

Ohio Revised Code

Section 4729.532 Performing euthanasia by means of lethal injection on animal.

Effective: March 4, 2026

Legislation: Senate Bill 152

(A) No agent or employee of an animal shelter, no agent or employee of a wild animal rehabilitation facility, and no county dog warden or agent or employee of a county dog warden shall perform euthanasia by means of lethal injection on an animal by use of any substance other than a substance in a manufactured dosage form that the state veterinary medical licensing board, in consultation with the state board of pharmacy, approves by rule adopted in accordance with Chapter 119. of the Revised Code.

The agent or employee of an animal shelter or wild animal rehabilitation facility, county dog warden, or agent or employee of a county dog warden when using a lethal solution to perform euthanasia on an animal shall use the solution in accordance with the following methods:

- (1) Intravenous injection by hypodermic needle;
- (2) Intraperitoneal injection by hypodermic needle;
- (3) Intracardial injection by hypodermic needle, but only on an animal verified to be unconscious;
- (4) Oral administration of solution or powder.

(B) Before euthanasia, a euthanasia technician may administer a solution of one or more drugs exclusively for the purpose of inducing anesthesia, sedation, or unconsciousness prior to euthanasia. Only those drugs that have been approved by rule adopted in accordance with Chapter 119. of the Revised Code by the state board of pharmacy, in consultation with the state veterinary medical licensing board, may be used.

(C) No agent or employee of an animal shelter or wild animal rehabilitation facility and no county dog warden or agent or employee of a county dog warden, other than a registered veterinary technician as defined in section 4741.01 of the Revised Code, shall perform euthanasia by means of

lethal injection on an animal or administer pre-euthanasia drugs that induce anesthesia, sedation, or unconsciousness unless the agent or employee or county dog warden has received certification after successfully completing a euthanasia technician certification course as described in this division.

The curriculum for a euthanasia technician certification course shall be one that has been approved by the state veterinary medical licensing board, shall be at least sixteen hours in length, and shall include information in at least all of the following areas:

- (1) The pharmacology, proper administration, and storage of euthanasia, sedation, and anesthesia solutions;
- (2) Federal and state laws regulating the storage and accountability of euthanasia, sedation, and anesthesia solutions;
- (3) Euthanasia technician stress management;
- (4) Proper disposal of euthanized animals.

(D)(1) No agent or employee of an animal shelter or wild animal rehabilitation facility shall perform euthanasia by means of lethal injection on animals or administer pre-euthanasia drugs that induce anesthesia, sedation, or unconsciousness under this section unless the facility in which the agent or employee works or is employed is licensed with the state board of pharmacy under section 4729.531 of the Revised Code. No agent or employee of a county dog warden shall perform euthanasia by means of lethal injection on animals or administer pre-euthanasia drugs that induce anesthesia, sedation, or unconsciousness under this section unless the county dog warden is licensed under section 4729.531 of the Revised Code.

(2) Any agent or employee of an animal shelter or wild animal rehabilitation facility or county dog warden performing euthanasia by means of lethal injection or administering pre-euthanasia drugs that induce anesthesia, sedation, or unconsciousness shall do so only in a humane and proficient manner that is in conformity with the methods described in divisions (A) and (B) of this section and not in violation of Chapter 959. of the Revised Code.

(E) Nothing in this section precludes a licensed veterinarian or registered veterinary technician as defined in section 4741.01 of the Revised Code from engaging in the practice of veterinary medicine as authorized in Chapter 4741. of the Revised Code.
