apply and the applicant meets the requirements of division (A) of this section, the board shall issue a training certificate to the applicant. The board shall not require an examination as a condition of receiving a training certificate.

A training certificate issued pursuant to this section shall be valid only for three years, but may be renewed by the board for one additional three-year period. To renew a training certificate, the holder shall apply to the board on or before the certificate's expiration date.

The holder shall train only under the supervision of the podiatrists responsible for supervision as part of the internship, residency, or clinical fellowship program. (D) The board may adopt rules as the board finds necessary to effect the purpose of this section.
