(g) Other negative action or finding against the person about which information is available to the public.

(14) Offering or rendering psychological services after a license issued under this chapter has expired due to a failure to timely register under section 4732.14 of the Revised Code or complete continuing education requirements;

(15) Offering or rendering psychological services after a license issued under this chapter has been placed in retired status pursuant to section 4732.142 of the Revised Code;

(16) Unless the person is a school psychologist licensed by the state board of education:

(b) Offering or rendering school psychological services after a license issued under this chapter has been placed in retired status pursuant to section 4732.142 of the Revised Code.

(17) Violating any adjudication order or consent agreement adopted by the board;

(18) Failure to submit to mental, cognitive, substance abuse, or medical evaluations, or a combination of these evaluations, ordered by the board under division (E) of this section.

(B) Notwithstanding divisions (A)(11) and (12) of this section, sanctions shall not be imposed against any license holder who waives deductibles and copayments:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copays shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Such consent shall be made available to the board upon request.

(2) For professional services rendered to any other person licensed pursuant to this chapter to the

extent allowed by this chapter and the rules of the board.

(C) For any of the reasons specified in division (A) of this section, the board may do one or more of the following:

- (1) Refuse to issue a license to an applicant;
- (2) Issue a reprimand to a license holder;
- (3) Suspend the license of a license holder;
- (4) Revoke the license of a license holder;
- (5) Limit or restrict the areas of practice of an applicant or a license holder;
- (6) Require mental, substance abuse, or physical evaluations, or any combination of these evaluations, of an applicant or a license holder;
- (7) Require remedial education and training of an applicant or a license holder.

(D) When it revokes the license of a license holder under division (C)(4) of this section, the board may specify that the revocation is permanent. An individual subject to permanent revocation is forever thereafter ineligible to hold a license, and the board shall not accept an application for reinstatement of the license or issuance of a new license.

(E) When the board issues a notice of opportunity for a hearing on the basis of division (A)(7) of this section, the supervising member of the board, with cause and upon consultation with the board's executive director and the board's legal counsel, may compel the applicant or license holder to submit to mental, cognitive, substance abuse, or medical evaluations, or a combination of these evaluations, by a person or persons selected by the board. Notice shall be given to the applicant or license holder in writing signed by the supervising member, the executive director, and the board's legal counsel. The applicant or license holder is deemed to have given consent to submit to these evaluations and to have waived all objections to the admissibility of testimony or evaluation reports

that constitute a privileged communication. The expense of the evaluation or evaluations shall be the responsibility of the applicant or license holder who is evaluated.

(F) Before the board may take action under this section, written charges shall be filed with the board by the secretary and a hearing shall be had thereon in accordance with Chapter 119. of the Revised Code, except as follows:

(1) On receipt of a complaint that any of the grounds listed in division (A) of this section exist, the state board of psychology may suspend a license issued under this chapter prior to holding a hearing in accordance with Chapter 119. of the Revised Code if it determines, based on the complaint, that there is an immediate threat to the public. A telephone conference call may be used to conduct an emergency meeting for review of the matter by a quorum of the board, taking the vote, and memorializing the action in the minutes of the meeting.

After suspending a license pursuant to division (F)(1) of this section, the board shall notify the license holder of the suspension in accordance with section 119.07 of the Revised Code. If the individual whose license is suspended fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the license.

(2) The board shall adopt rules establishing a case management schedule for pre-hearing procedures by the hearing examiner or presiding board member. The schedule shall include applicable deadlines related to the hearing process, including all of the following:

- (a) The date of the hearing;
- (b) The date for the disclosure of witnesses and exhibits;
- (c) The date for the disclosure of the identity of expert witnesses and the exchange of written reports;
- (d) The deadline for submitting a request for the issuance of a subpoena for the hearing as provided under Chapter 119. of the Revised Code and division (F)(4) of this section.

(3) Either party to the hearing may submit a written request to the other party for a list of witnesses and copies of documents intended to be introduced at the hearing. The request shall be in writing and shall be served not less than thirty-seven days prior to the hearing, unless the hearing officer or presiding board member grants an extension of time to make the request. Not later than thirty days before the hearing, the responding party shall provide the requested list of witnesses, summary of their testimony, and copies of documents to the requesting party, unless the hearing officer or presiding board member grants an extension. Failure to timely provide a list or copies requested in accordance with this section may, at the discretion of the hearing officer or presiding board member, result in exclusion from the hearing of the witnesses, testimony, or documents.

(4) In addition to subpoenas for the production of books, records, and papers requested under Chapter 119. of the Revised Code, either party may ask the board to issue a subpoena for the production of other tangible items.

The person subject to a subpoena for the production of books, records, papers, or other tangible items shall respond to the subpoena at least twenty days prior to the date of the hearing. If a person fails to respond to a subpoena issued by the board, after providing reasonable notice to the person, the board, the hearing officer, or both may proceed with enforcement of the subpoena pursuant to section 119.09 of the Revised Code.

(G) The board shall not refuse to issue a license to an applicant because of a conviction or plea of guilty or no contest to an offense or a judicial finding of eligibility for intervention in lieu of conviction, unless the refusal is in accordance with section 9.79 of the Revised Code.
