

Ohio Revised Code

Section 4734.101 Amended and Renumbered RC 4734.37.

Effective: May 31, 1990

Legislation: House Bill 282 - 118th General Assembly

If the chiropractic examining board determines that there is clear and convincing evidence that a person who has been granted a certificate under this chapter has committed an act that subjects his license to board action under section 4734.10 of the Revised Code and that the certificate holder's continued practice presents a danger of immediate and serious harm to the public, the board may suspend the certificate without a prior hearing. A telephone conference call may be utilized for reviewing the matter and taking the vote.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order is not subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the certificate holder requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the request, unless otherwise agreed to by both the board and the certificate holder.

Any summary suspension imposed under this section shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to section 4734.10 and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. A failure to issue the order within sixty days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.
