

Ohio Revised Code Section 4738.12 Appeals.

Effective: September 17, 1986

Legislation: House Bill 755 - 116th General Assembly

The motor vehicle salvage dealer's licensing board shall hear appeals which may be taken from an order of the registrar of motor vehicles, refusing to issue a license. All appeals from any order of the registrar refusing to issue any license upon proper application made must be taken within thirty days from the date of the order, or the order is final and conclusive. All appeals from orders of the registrar must be by petition in writing and verified under oath by the applicant whose application for license has been denied, and must set forth the reason why, in the petitioner's opinion, the order of the registrar is not correct. In appeals the board may make investigation to determine the correctness and legality of the order of the registrar.

The board may make rules governing its actions relative to the suspension and revocation of licenses and may, upon its own motion, and shall, upon the verified complaint in writing of any person, investigate the conduct of any licensee under this chapter. The board shall suspend or revoke or notify the registrar to refuse to renew any license if any ground existed upon which the license would have been refused, or if a ground exists which would be cause for refusal to issue a license.

The board may suspend or revoke any license if the licensee has in any manner violated the rules issued pursuant to sections 4738.01 to 4738.16 of the Revised Code, or has been convicted of committing a felony or violating any law which in any way relates to the theft of motor vehicles.
