

Ohio Revised Code

Section 4741.11 Issuing certificate of license.

Effective: September 28, 2016

Legislation: House Bill 390 - 131st General Assembly

Whenever an applicant for a license to practice veterinary medicine has graduated from a veterinary college approved by the state veterinary medical licensing board or accredited by the American veterinary medical association or has been issued a certificate on or after May 1, 1987, by the education commission for foreign veterinary graduates of the American veterinary medical association or by the program for the assessment of veterinary education equivalence of the American association of veterinary state boards, has passed the nationally recognized examination approved by the state veterinary medical licensing board in accordance with rules adopted by the board, and is not in violation of this chapter, the board shall issue a certificate of license to that effect, signed by the members and bearing the seal of the board. The certificate shall show that the successful applicant has qualified under the laws of this state and the requirements of the board and that the applicant is duly licensed and qualified to practice veterinary medicine.
