

## Ohio Revised Code Section 4741.23 Prohibited acts.

Effective: January 1, 1958

Legislation: House Bill 200 - 102nd General Assembly

---

No person licensed to practice veterinary medicine or holding a temporary permit to practice veterinary medicine shall:

- (A) Fraudulently issue or use any health certificate, inspection certificate, vaccination certificate, test chart, or other blank form used in the practice of veterinary medicine relating to the dissemination of animal disease, transportation of diseased animals, or the sale of inedible products of animal origin for human consumption;
  - (B) Willfully make any misrepresentation in the inspection of food stuffs;
  - (C) Fraudulently apply or report any intradermal, cutaneous, subcutaneous, seriological, or chemical test.
-
