

Ohio Revised Code

Section 4758.45 Prevention specialist certificate requirements.

Effective: September 30, 2025

Legislation: House Bill 96

An individual seeking a prevention specialist certificate shall meet all of the following requirements:

- (A) Have at least the number of hours specified in rules adopted under section 4758.20 of the Revised Code of compensated or volunteer work, field placement, intern, or practicum experience in prevention services, including at least the number of hours specified in those rules of planning or delivering the services;
 - (B) Hold from an accredited educational institution at least an associate's degree in a field of study specified in rules adopted under section 4758.20 of the Revised Code;
 - (C) Have at least the number of hours specified in rules adopted under section 4758.20 of the Revised Code of prevention-related education that meets the requirements specified in those rules;
 - (D) Pass one or more examinations administered pursuant to section 4758.22 of the Revised Code for the purpose of determining competence to practice as a prevention specialist.
-
