

Ohio Revised Code

Section 4763.05 Applying for initial certificate, license or registration.

Effective: January 1, 2013

Legislation: House Bill 487 - 129th General Assembly

(A)(1)(a) A person shall make application for an initial state-certified general real estate appraiser certificate, an initial state-certified residential real estate appraiser certificate, an initial state-licensed residential real estate appraiser license, or an initial state-registered real estate appraiser assistant registration in writing to the superintendent of real estate on a form the superintendent prescribes. The application shall include the address of the applicant's principal place of business and all other addresses at which the applicant currently engages in the business of preparing real estate appraisals and the address of the applicant's current residence. The superintendent shall retain the applicant's current residence address in a separate record which does not constitute a public record for purposes of section 149.43 of the Revised Code. The application shall indicate whether the applicant seeks certification as a general real estate appraiser or as a residential real estate appraiser, licensure as a residential real estate appraiser, or registration as a real estate appraiser assistant and be accompanied by the prescribed examination and certification, registration, or licensure fees set forth in section 4763.09 of the Revised Code. The application also shall include a pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter; and a statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter.

(b) Upon the filing of an application and payment of any examination and certification, registration, or licensure fees, the superintendent of real estate shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints in accordance with section 109.572 of the Revised Code. Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of real estate shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. Any fee required under division (C)(3) of section 109.572 of the Revised Code shall be paid by the applicant.

(2) For purposes of providing funding for the real estate appraiser recovery fund established by section 4763.16 of the Revised Code, the real estate appraiser board shall levy an assessment

against each person issued an initial certificate, registration, or license and against current licensees, registrants, and certificate holders, as required by board rule. The assessment is in addition to the application and examination fees for initial applicants required by division (A)(1) of this section and the renewal fees required for current certificate holders, registrants, and licensees. The superintendent of real estate shall deposit the assessment into the state treasury to the credit of the real estate appraiser recovery fund. The assessment for initial certificate holders, registrants, and licensees shall be paid prior to the issuance of a certificate, registration, or license, and for current certificate holders, registrants, and licensees, at the time of renewal.

(B) An applicant for an initial general real estate appraiser certificate, residential real estate appraiser certificate, or residential real estate appraiser license shall possess experience in real estate appraisal as the board prescribes by rule. In addition to any other information required by the board, the applicant shall furnish, under oath, a detailed listing of the appraisal reports or file memoranda for each year for which experience is claimed and, upon request of the superintendent or the board, shall make available for examination a sample of the appraisal reports prepared by the applicant in the course of the applicant's practice.

(C) An applicant for an initial certificate, registration, or license shall be at least eighteen years of age, honest, truthful, and of good reputation and shall present satisfactory evidence to the superintendent that the applicant has successfully completed any education requirements the board prescribes by rule.

(D) An applicant for an initial general real estate appraiser or residential real estate appraiser certificate or residential real estate appraiser license shall take and successfully complete a written examination in order to qualify for the certificate or license.

The board shall prescribe the examination requirements by rule.

(E)(1) A nonresident, natural person of this state who has complied with this section may obtain a certificate, registration, or license. The board shall adopt rules relating to the certification, registration, and licensure of a nonresident applicant whose state of residence the board determines to have certification, registration, or licensure requirements that are substantially similar to those set forth in this chapter and the rules adopted thereunder.

(2) The board shall recognize on a temporary basis a certification or license issued in another state and shall register on a temporary basis an appraiser who is certified or licensed in another state if all of the following apply:

(a) The temporary registration is to perform an appraisal assignment that is part of a federally related transaction.

(b) The appraiser's business in this state is of a temporary nature.

(c) The appraiser registers with the board pursuant to this division.

An appraiser who is certified or licensed in another state shall register with the board for temporary practice before performing an appraisal assignment in this state in connection with a federally related transaction.

The board shall adopt rules relating to registration for the temporary recognition of certification and licensure of appraisers from another state. The registration for temporary recognition of certified or licensed appraisers from another state shall not authorize completion of more than one appraisal assignment in this state. The board shall not issue more than two registrations for temporary practice to any one applicant in any calendar year.

(3) In addition to any other information required to be submitted with the nonresident applicant's or appraiser's application for a certificate, registration, license, or temporary recognition of a certificate or license, each nonresident applicant or appraiser shall submit a statement consenting to the service of process upon the nonresident applicant or appraiser by means of delivering that process to the secretary of state if, in an action against the applicant, certificate holder, registrant, or licensee arising from the applicant's, certificate holder's, registrant's, or licensee's activities as a certificate holder, registrant, or licensee, the plaintiff, in the exercise of due diligence, cannot effect personal service upon the applicant, certificate holder, registrant, or licensee.

(F) The superintendent shall not issue a certificate, registration, or license to, or recognize on a temporary basis an appraiser from another state that is a corporation, partnership, or association.

This prohibition shall not be construed to prevent a certificate holder or licensee from signing an appraisal report on behalf of a corporation, partnership, or association.

(G) Every person licensed, registered, or certified under this chapter shall notify the superintendent, on a form provided by the superintendent, of a change in the address of the licensee's, registrant's, or certificate holder's principal place of business or residence within thirty days of the change. If a licensee's, registrant's, or certificate holder's license, registration, or certificate is revoked or not renewed, the licensee, registrant, or certificate holder immediately shall return the annual and any renewal certificate, registration, or license to the superintendent.

(H)(1) The superintendent shall not issue a certificate, registration, or license to any person, or recognize on a temporary basis an appraiser from another state, who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(2) The superintendent shall not issue a general real estate appraiser certificate, residential real estate appraiser certificate, residential real estate appraiser license, or real estate appraiser assistant registration to any person who has been convicted of or pleaded guilty to any criminal offense involving theft, receiving stolen property, embezzlement, forgery, fraud, passing bad checks, money laundering, or drug trafficking, or any criminal offense involving money or securities, including a violation of an existing or former law of this state, any other state, or the United States that substantially is equivalent to such an offense. However, if the applicant has pleaded guilty to or been convicted of such an offense, the superintendent shall not consider the offense if the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant will commit such an offense again.
