

Ohio Revised Code

Section 4766.08 Revocation of license or permit - deficiencies.

Effective: July 1, 2013

Legislation: House Bill 51 - 130th General Assembly

(A) The state board of emergency medical, fire, and transportation services, pursuant to an adjudication conducted in accordance with Chapter 119. of the Revised Code, may suspend or revoke any license or permit or renewal thereof issued under this chapter for any one or combination of the following causes:

- (1) Violation of this chapter or any rule adopted thereunder;
- (2) Refusal to permit the board to inspect a vehicle or aircraft used under the terms of a permit or to inspect the records or physical facilities of a licensee;
- (3) Failure to meet the ambulance, ambulette, rotorcraft air ambulance, fixed wing air ambulance, and nontransport vehicle requirements specified in this chapter or the rules adopted thereunder;
- (4) Violation of an order issued by the board;
- (5) Failure to comply with any of the terms of an agreement entered into with the board regarding the suspension or revocation of a license or permit or the imposition of a penalty under this section.

(B) If the board determines that the records, record-keeping procedures, or physical facilities of a licensee, or an ambulance, ambulette, rotorcraft air ambulance, fixed wing air ambulance, or nontransport vehicle for which a valid permit has been issued, do not meet the standards specified in this chapter and the rules adopted thereunder, the board shall notify the licensee of any deficiencies within thirty days of finding the deficiencies. If the board determines that the deficiencies exist and they remain uncorrected after thirty days, the board may suspend the license, vehicle permit, or aircraft permit. The licensee, notwithstanding the suspension under this division, may operate until all appeals have been exhausted.

(C) At the discretion of the board, a licensee whose license has been suspended or revoked under

this section may be ineligible to be licensed under this chapter for a period of not more than three years from the date of the violation, provided that the board shall make no determination on a period of ineligibility until all the licensee's appeals relating to the suspension or revocation have been exhausted.

(D) The board may, in addition to any other action taken under this section and after a hearing conducted pursuant to Chapter 119. of the Revised Code, impose a penalty of not more than fifteen hundred dollars for any violation specified in this section. The attorney general shall institute a civil action for the collection of any such penalty imposed.
