

Ohio Revised Code

Section 4779.10 Eligibility for license - orthotics.

Effective: January 21, 2018

Legislation: House Bill 49 - 132nd General Assembly

To be eligible for a license to practice orthotics, an applicant must meet the following requirements:

- (A) On the date of application, the applicant has practiced orthotics for not less than eight months under the supervision of an individual licensed under this chapter to practice orthotics.

 - (B) The applicant has completed an orthotics residency program approved by the Ohio occupational therapy, physical therapy, and athletic trainers board under section 4779.27 of the Revised Code.

 - (C) One of the following is the case:
 - (1) The applicant holds a bachelor's degree in orthotics and prosthetics from an accredited college or university whose orthotics and prosthetics program is recognized by the board under section 4779.25 of the Revised Code or an equivalent educational credential from a foreign educational institution recognized by the board.

 - (2) The applicant holds a bachelor's degree in a subject other than orthotics and prosthetics or an equivalent educational credential from a foreign educational institution recognized by the board and has completed a certificate program in orthotics recognized by the board under section 4779.26 of the Revised Code.
-
