

Ohio Revised Code

Section 4906.212 Decommissioning estimated costs recalculation.

Effective: October 11, 2021

Legislation: Senate Bill 52 - 134th General Assembly

The estimate of the total decommissioning costs of a utility facility, as described in division (B)(3) of section 4906.211 of the Revised Code, shall be recalculated every five years by an engineer retained by the applicant.
