

Ohio Revised Code

Section 4909.192 Approval of nondiscriminatory programs under rate increase application.

Effective: August 14, 2025

Legislation: House Bill 15 - 136th General Assembly

When considering an application to increase rates under section 4909.18 of the Revised Code, the public utilities commission may approve the following:

- (A) Nondiscriminatory programs available for all energy-intensive customers to implement economic development, job growth, job retention, or interruptible rates that enhance distribution and transmission grid reliability and promote economic development.
- (B) Nondiscriminatory programs available for all mercantile customers, as defined in section 4928.01 of the Revised Code, that align retail rate recovery with how transmission costs are incurred by or charged to the electric distribution utility, as defined in section 4928.01 of the Revised Code, or programs that allow customers to be billed directly for transmission service by a competitive retail electric service provider.
