

## Ohio Revised Code

### Section 4921.36 Transporters of household goods; additional requirements.

Effective: June 11, 2012

Legislation: House Bill 487 - 129th General Assembly

---

Each holder of a certificate for the transportation of household goods shall do all of the following:

- (A) Make its current certificate available for public inspection during normal business hours;
  - (B) Present each of its customers with information, written in plain and clear language and pursuant to a form prescribed by the public utilities commission, outlining a consumer's rights;
  - (C) Include its certificate number on all advertising, written estimates, and contracts, pursuant to rules adopted by the commission.
-
