

Ohio Revised Code

Section 4926.03 Electric cooperative permit pole attachment.

Effective: May 17, 2021

Legislation: House Bill 2 - 134th General Assembly

On the request of a provider, an electric cooperative shall grant the provider nondiscriminatory access to the cooperative's poles under just and reasonable rates, terms, and conditions for their attachments in accordance with sections 4926.06 to 4926.36 of the Revised Code.
