

Ohio Revised Code

Section 4926.15 Reasons for request denial.

Effective: May 17, 2021

Legislation: House Bill 2 - 134th General Assembly

An electric cooperative may deny a provider access to its poles for either of the following reasons if the reasons are applied on a nondiscriminatory basis:

(A) Insufficient capacity;

(B) Safety, reliability, or generally applicable engineering standards.
