

Ohio Revised Code

Section 4951.06 Written consent of property owners required.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

No grant referred to in section 4951.02 of the Revised Code shall be made until there is produced to the legislative authority of a municipal corporation or the board of county commissioners the written consent of the owners of more than one half of the front footage of the lots and lands abutting on the street or public way along which it is proposed to construct such street railway or extension, and evidence that ordinances of the legislative authority relating to such grant have in all respects been complied with, whether the railway proposed is an extension of an old or the granting of a new route.
