

## Ohio Revised Code

### Section 4961.01 Tracks maintained and operated by railroads.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

Any railroad company may maintain and operate, or construct, maintain, and operate, a railroad, with such main tracks, sidetracks, turnouts, offices, depots, roundhouses, machine shops, water tanks, telegraph lines, and other necessary appliances, as it deems necessary, between the points named in its articles of incorporation, commencing at or within, and extending to or into any municipal corporation or place named as a terminus of its railroad.
