### Section 505.73 Model or standard building code.

Effective: September 29, 2011

Legislation: House Bill 153 - 129th General Assembly

---

(A) The board of township trustees may, by resolution, adopt by incorporation by reference, administer, and enforce within the unincorporated area of the township an existing structures code pertaining to the repair and continued maintenance of structures and the premises of those structures. For that purpose, the board shall adopt any model or standard code prepared and promulgated by this state, any department, board, or agency of this state, or any public or private organization that publishes a recognized model or standard code on the subject. The board shall ensure that the code adopted governs subject matter not addressed by the state residential building code and that it is fully compatible with the state residential and nonresidential building codes the board of building standards adopts pursuant to section 3781.10 of the Revised Code.

(B) The board shall assign the duties of administering and enforcing the existing structures code to a township officer or employee who is trained and qualified for those duties and shall establish by resolution the minimum qualifications necessary to perform those duties.

(C)(1) After the board adopts an existing structures code, the township fiscal officer shall post a notice that clearly identifies the code, states the code's purpose, and states that a complete copy of the code is on file for inspection by the public with the fiscal officer and in the county law library and that the fiscal officer has copies available for distribution to the public at cost.

(2) The township fiscal officer shall post the notice in five conspicuous places in the township for thirty days before the code becomes effective and shall publish the notice in a newspaper of general circulation in the township for three consecutive weeks or as provided in section 7.16 of the Revised Code. If the adopting township amends or deletes any provision of the code, the notice shall contain a brief summary of the deletion or amendment.

(D) If the agency that originally promulgated or published the existing structures code amends the code, the board may adopt the amendment or change by incorporation by reference in the manner provided for the adoption of the original code.
