

Ohio Revised Code

Section 513.18 Contiguous township may become part of joint township hospital district.

Effective: July 2, 2010

Legislation: House Bill 48 - 128th General Assembly

In the event any township, contiguous to a joint township hospital district, desires to become a part of such district in existence under sections 513.07 to 513.18 of the Revised Code, its board of township trustees, by a two-thirds favorable vote of the members of such board, after the existing joint township hospital board has, by a majority favorable vote of the members thereof, approved the terms under which such township proposes to join the district, shall become a part of the joint township district hospital board under such terms and with all the rights, privileges, and responsibilities enjoyed by and extended to the existing members of the hospital board under such sections, including representation on the board of hospital governors by the appointment of an elector of such township as a member thereof. If the terms under which such township proposes to join the hospital district involve a tax levy for the purpose of sharing the existing obligations, including bonded indebtedness, of the district or the necessary operating expenses of such hospital, such township shall not become a part of the district until its electors have approved such levy as provided in this section.

Upon request of the board of township trustees of the township proposing to join such district, by resolution approved by a two-thirds vote of its members, the board of elections of the county in which the township lies shall place upon the ballot for submission to the electorate of such township at the next primary or general election occurring not less than ninety nor more than one hundred thirty-five days after such request is received from the board of township trustees the question of levying a tax, not to exceed one mill outside the ten-mill limitation, for a period of not to exceed five years, to provide funds for the payment of the township's share of the necessary expenses incurred in the operation of such hospital, or the question of levying a tax to pay the township's share of the existing obligations, including bonded indebtedness, of the district, or both questions may be submitted at the same primary or general election. If a majority of the electors voting on the propositions vote in favor thereof, the county auditor shall place such levies on the tax duplicate against the property in the township, which township shall thereby become a part of said joint township hospital district.
