

Ohio Revised Code

Section 5101.77 Procurement of inhalers for camps.

Effective: February 1, 2016

Legislation: House Bill 39 - 131st General Assembly

(A) As used in this section, "inhaler" means a device that delivers medication to alleviate asthmatic symptoms, is manufactured in the form of a metered dose inhaler or dry powdered inhaler, and may include a spacer, holding chamber, or other device that attaches to the inhaler and is used to improve the delivery of the medication.

(B) A residential camp, as defined in section 2151.011 of the Revised Code, a child day camp, as defined in section 5104.01 of the Revised Code, or a child day camp operated by any county, township, municipal corporation, township park district created under section 511.18 of the Revised Code, park district created under section 1545.04 of the Revised Code, or joint recreation district established under section 755.14 of the Revised Code may procure inhalers for use in emergency situations identified under division (D)(5) of this section. A camp that elects to procure inhalers under this section is encouraged to maintain at least two inhalers at all times.

(C) A camp that elects to procure inhalers under this section shall adopt a policy governing their maintenance and use. Before adopting the policy, the camp shall consult with a licensed health professional authorized to prescribe drugs, as defined in section 4729.01 of the Revised Code.

(D) A component of a policy adopted by a camp under division (C) of this section shall be a prescriber-issued protocol specifying definitive orders for inhalers, including the dosages of medication to be administered through them, the number of times that each inhaler may be used before disposal, and the methods of disposal. The policy also shall do all of the following:

- (1) Identify the one or more locations in which an inhaler must be stored;
- (2) Specify the conditions under which an inhaler must be stored, replaced, and disposed;
- (3) Specify the individuals employed by or under contract with the camp who may access and use an inhaler to provide a dosage of medication to an individual in an emergency situation identified under

division (D)(5) of this section;

(4) Specify any training that employees or contractors specified under division (D)(3) of this section must complete before being authorized to access and use an inhaler;

(5) Identify the emergency situations, including when an individual exhibits signs and symptoms of asthma, in which employees or contractors specified under division (D)(3) of this section may access and use an inhaler;

(6) Specify that assistance from an emergency medical service provider must be requested immediately after an employee or contractor, other than a licensed health professional, uses an inhaler;

(7) Specify the individuals to whom a dosage of medication may be administered through an inhaler in an emergency situation specified under division (D)(5) of this section.

(E) A camp or camp employee or contractor is not liable in damages in a civil action for injury, death, or loss to person or property that allegedly arises from an act or omission associated with procuring, maintaining, accessing, or using an inhaler under this section, unless the act or omission constitutes willful or wanton misconduct.

This section does not eliminate, limit, or reduce any other immunity or defense that a camp or camp employee or contractor may be entitled to under Chapter 2744. or any other provision of the Revised Code or under the common law of this state.

(F) A camp may accept donations of inhalers from a wholesale distributor of dangerous drugs, as defined in section 4729.01 of the Revised Code, and may accept donations of money from any person to purchase inhalers.

(G) A camp that elects to procure inhalers under this section shall report to the department of job and family services each procurement and occurrence in which an inhaler is used from a camp's supply of inhalers.
