

## Ohio Revised Code

### Section 5104.41 Homeless child care.

Effective: May 18, 2005

Legislation: House Bill 11 - 125th General Assembly

---

A child and the child's caretaker who either temporarily reside in a facility providing emergency shelter for homeless families or are determined by the county department of job and family services to be homeless, and who are otherwise ineligible for publicly funded child care, are eligible for protective child care for the lesser of the following:

(A) Ninety days;

(B) The period of time they reside in the shelter, if they qualified for protective child care because they reside in the shelter, or the period of time in which the county department determines they are homeless.
