

## Ohio Revised Code

### Section 5116.25 Failure to enroll required participants.

Effective: September 29, 2017

Legislation: House Bill 49 - 132nd General Assembly

---

If a lead agency fails to enroll in the comprehensive case management and employment program an individual who is required by section 5116.10 of the Revised Code to participate in the program and to take corrective action that the department of job and family services requires the lead agency to take as a consequence of that failure, the department may take the action authorized by division (C)(5) of section 5101.24 of the Revised Code, including withholding and spending TANF block grant funds.
