

Ohio Revised Code

Section 5117.21 Percentage of funds to be used for energy-related home repair.

Effective: November 26, 1982

Legislation: Senate Bill 550 - 114th General Assembly

Not less than fifteen per cent of the funds received by the state in any fiscal year for the low-income home energy assistance block grant under Title XXVI of the "Omnibus Budget Reconciliation Act of 1981," 95 Stat. 893, 42 U.S.C.A. 8621, and any amendments thereto, shall be used to provide low cost residential weatherization or other energy-related home repair for low-income households in accordance with that act, and any amendments thereto. The annual state home energy assistance application and plan and any revisions filed with the United States secretary of health and human services under the act shall include the requirement of this section, and any such plan in effect on the effective date of this section shall promptly be revised to include the requirement of this section.
