

Ohio Revised Code

Section 5119.171

Effective: [March 20, 2026](#)

Legislation: [Senate Bill 56](#)

The department of behavioral health shall establish and administer a statewide program to prevent youth use of cannabis. The program shall do the following:

- (A) Use a harm reduction approach;
 - (B) Include practices aimed at the prevention or reduction of substance use, substance abuse, substance dependence, and substance use disorders;
 - (C) Use other evidence-based approaches selected by the department.
-
