

Ohio Revised Code

Section 5119.334 Notice of adverse action - hospitals.

Effective: September 30, 2025

Legislation: House Bill 96

(A) As used in this section, "adverse action" means an action by a state, provincial, federal, or other licensing or regulatory authority other than the department of behavioral health to deny, revoke, suspend, place on probation, or otherwise restrict a license, certificate, or other approval to operate a hospital or practice a health care profession.

(B)(1) When submitting an application for initial or renewed licensure of a hospital under section 5119.33 of the Revised Code, the applicant shall notify the department of behavioral health of any adverse action taken against any of the following during the three-year period immediately preceding the date of application:

(a) The hospital;

(b) Any owner, sponsor, medical director, administrator, or principal of the hospital;

(c) Any subsidiary of the hospital, owner, or sponsor.

(2) Not later than seven days after receiving a notice of adverse action, the holder of a hospital license issued under section 5119.33 of the Revised Code shall notify the department of the action.

(C) To notify the department as required by this section, a copy of the notice of adverse action shall be provided to the department.
