

## Ohio Revised Code

### Section 5120.651 Eligibility for program.

Effective: September 19, 2014

Legislation: Senate Bill 143 - 130th General Assembly

---

An inmate is eligible to participate in the prison nursery program if she is pregnant at the time she is delivered into the custody of the department of rehabilitation and correction, she gives birth on or after the date the program is implemented, she is subject to a sentence of imprisonment of not more than three years, and she and the child meet any other criteria established by the department.
