

Ohio Revised Code

Section 5122.311 Notification of bureau of criminal identification and investigation of adjudication of mental illness.

Effective: September 17, 2014

Legislation: Senate Bill 43 - 130th General Assembly

(A) Notwithstanding any provision of the Revised Code to the contrary, if, on or after April 8, 2004, an individual is found by a court to be a mentally ill person subject to court order or becomes an involuntary patient other than one who is a patient only for purposes of observation, the probate judge who made the adjudication or the chief clinical officer of the hospital, community mental health services provider, or facility in which the person is an involuntary patient shall notify the office of the attorney general, on the form described in division (C) of this section, of the identity of the individual. The notification shall be transmitted by the judge or the chief clinical officer not later than seven days after the adjudication or commitment.

(B) The office of the attorney general shall compile and maintain the notices it receives under division (A) of this section and the notices shall be used for the purpose of conducting incompetency records checks pursuant to section 311.41 of the Revised Code. The notices and the information they contain are confidential, except as provided in this division, and are not public records.

(C) The attorney general, by rule adopted under Chapter 119. of the Revised Code, shall prescribe and make available to all probate judges and all chief clinical officers a form to be used by them for the purpose of making the notifications required by division (A) of this section.
