Every state agency, county board of developmental disabilities, or political subdivision that provides services, either directly or through a contract, to persons with mental retardation or a developmental disability shall give each provider a copy of the list of rights contained in section 5123.62 of the Revised Code. Each public and private provider of services shall carry out the requirements of this section in addition to any other posting or notification requirements imposed by local, state, or federal law or rules.

The provider shall make copies of the list of rights and shall be responsible for an initial distribution of the list to each individual receiving services from the provider. If the individual is unable to read the list, the provider shall communicate the contents of the list to the individual to the extent practicable in a manner that the individual understands. The individual receiving services or the parent, guardian, or advocate of the individual shall sign an acknowledgement of receipt of a copy of the list of rights, and a copy of the signed acknowledgement shall be placed in the individual's file. The provider shall also be responsible for answering any questions and giving any explanations necessary to assist the individual to understand the rights enumerated. Instruction in these rights shall be documented.

Each provider shall make available to all persons receiving services and all employees and visitors a copy of the list of rights and the addresses and telephone numbers of the legal rights service, the department of developmental disabilities, and the county board of developmental disabilities of the county in which the provider provides services.
