

Ohio Revised Code

Section 5153.127 Collect and maintaining data from individual training needs assessment forms.

Effective: September 21, 2006

Legislation: Senate Bill 238 - 126th General Assembly

The executive director of each public children services agency or a person designated by the executive director shall collect and maintain the data from individual training needs assessments completed under sections 5153.125 and 5153.126 of the Revised Code for each PCSA caseworker and PCSA caseworker supervisor employed by the agency. The executive director or designated person shall compile and forward the data collected from the completed assessments to the regional training center established under section 5103.42 of the Revised Code for the training region the agency is located in.
