

Ohio Revised Code

Section 5160.41 Excluded considerations for third-party medical assistance.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

No third party shall consider whether an individual is eligible for or enrolled in a medical assistance program when either of the following applies:

- (A) The individual seeks to obtain a policy or enroll in a plan or program operated or administered by the third party;

 - (B) The individual, or a person or governmental entity on the individual's behalf, seeks payment for a medical item or service provided to the individual.
-
