

Ohio Revised Code

Section 5161.22 Imposing restrictions where federal financial participation for CHIP parts II or III insufficient.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

If the medicaid director determines that federal financial participation for CHIP part II, part III, or both parts is insufficient to pay for part or all of the costs of health benefits coverage for all the individuals the director anticipates are eligible for the part or parts, the director may refuse to accept new applications for the part or parts or may make the eligibility requirements more restrictive for the part or parts.
