

Ohio Revised Code

Section 5163.094 Amount of annual individual premium.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

An individual whose income exceeds one hundred fifty per cent of the federal poverty line shall pay an annual premium as a condition of qualifying for the medicaid buy-in for workers with disabilities program. The amount of the premium shall be determined as follows:

(A) Subtract one hundred fifty per cent of the federal poverty line, as applicable for a family size equal to the size of the individual's family, from the amount of the income of the individual's family;

(B) Subtract an amount specified in rules authorized by section 5163.098 of the Revised Code from the difference determined under division (A) of this section;

(C) Multiply the difference determined under division (B) of this section by one tenth.
