

## Ohio Revised Code Section 5165.191 Resident assessment data.

Effective: September 30, 2021

Legislation: House Bill 110

---

Each calendar quarter, each nursing facility provider shall compile complete assessment data for each resident of each of the provider's nursing facilities, regardless of payment source, who is in the nursing facility, or on hospital or therapeutic leave from the nursing facility, on the last day of the quarter. A resident assessment instrument specified in rules authorized by this section shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of health and, if required by the rules, the department of medicaid. The resident assessment data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. If the resident assessment data is to be submitted to the department of medicaid, it shall be submitted to the department through the medium or media specified in the rules.

Rules adopted under section 5165.02 of the Revised Code shall do all of the following:

- (A) In a manner consistent with the "Social Security Act," section 1919(e)(5), 42 U.S.C. 1396r(e)(5), specify a resident assessment instrument to be used by nursing facility providers under this section;
  - (B) Specify whether nursing facility providers must submit the resident assessment data to the department of medicaid;
  - (C) Specify any resident assessment data that is excluded from the case mix calculation made under section 5165.192 of the Revised Code;
  - (D) If the rules specify that nursing facility providers must submit the resident assessment data to the department, specify the medium or media through which the data is to be submitted.
