

## Ohio Revised Code

### Section 5165.28 Rate for added, replaced, or renovated beds.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

---

If a provider of a nursing facility adds or replaces one or more medicaid certified beds to or at the nursing facility, or renovates one or more of the nursing facility's beds, the medicaid payment rate for the added, replaced, or renovated beds shall be the same as the medicaid payment rate for the nursing facility's existing beds.
