

Ohio Revised Code

Section 5166.305 Nursing assistance by home care attendants; consent and authorization.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

A home care attendant shall comply with both of the following when assisting a consumer with nursing tasks or self-administration of medication:

(A) The written consent of the consumer or consumer's authorized representative provided to the appropriate director under section 5166.306 of the Revised Code;

(B) The authorizing health care professional's written authorization provided to the appropriate director under section 5166.307 of the Revised Code.
