

Ohio Revised Code

Section 5167.45 Information about medicaid recipients' races, ethnicities, and primary languages.

Effective: April 6, 2017

Legislation: Senate Bill 332 - 131st General Assembly

The department of medicaid shall include information about medicaid recipients' races, ethnicities, and primary languages in data the department shares with medicaid managed care organizations. Medicaid managed care organizations shall include this information in the data the organizations share with providers.
