

Ohio Revised Code Section 5168.83 Refunds.

Effective: June 29, 2017

Legislation: House Bill 49 - 132nd General Assembly

If the total amount of franchise fees imposed on all health insuring corporation plans under section 5168.76 of the Revised Code during a fiscal year exceeds the indirect guarantee percentage of the net patient revenue for all health insuring corporations for that fiscal year and seventy-five per cent or more of all health insuring corporations receive enhanced medicaid payments or other state payments equal to seventy-five per cent or more of the total franchise fees imposed on their health insuring corporation plans, the department of medicaid shall refund the excess amount of the franchise fees to the health insuring corporations.
