

Ohio Revised Code

Section 5307.24 Effect of partition of religious property.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

If the court of common pleas finds that partition, in cases mentioned in section 5307.23 of the Revised Code, can be so made as to occasion no confusion or inconvenience to either party in the separate use of the common property, it may order the partition thereof. The judgment shall specify for what purpose partition of the use is made, and how and for what purpose the use of the premises allotted to each party are to be occupied. In no case shall such property, or any part thereof be occupied for any other purpose than the erection of a house of worship, and other erections connected therewith.
